## Proposed Widening of M-47

---  
Township Supervisor Frank Powley and Mr. Scott Haynes have both recently received copies of the engineering report from the State Highway Department which shows the route of the new highway between Saginaw and Freeland. The new road will be five lanes extending from State Road in Saginaw to the new divided highway north of Freeland. A public hearing will be held sometime in November by the State Highway Department. Anyone having any questions regarding right-of-way, locations of pavement, etc., prior to the public hearing, may contact either of the following: Frank Powley, Scott Haynes or Robert Dietzel. Groups wishing to discuss the engineering report and view the aerial mosaics should contact either Mr. Haynes or Mr. Dietzel to arrange a meeting time.

## Band Boosters

---  
Last month the Freeland Band Boosters sponsored a car wash at which there was a fine turn-out of workers from both the junior and senior bands. Approximately seventy dollars was realized from the wash, which was cut short by rain. Many thanks to Phil Shaver, Dick and Pat Bayne, Karl Nemvalts and Betty Campbell for their part in this successfull event. . . W.S. Haynes, chairman

## Door Prize Winners

---  
The winners of the door prizes at Freeland Hardware's Grand Opening as a "Trustworthy Store" were: Joe Davilla, Toaster, and Jake Whitney, Steam iron.

## Farm Youth Exchange

---  
Anuphongs Chiowcharnvalikit, a young man from Thailand, is currently visiting with the Russell Bucks' under the International Farm Youth Exchange Program. He has been in this country since June of this year and has visited two Kansas families and four in Michigan. He will be returning to his homeland next month via Europe. He was recently guest speaker at the last meeting of the Freeland Mother's Club, held at the home of Mrs. W. L. Colbeck, showing slides of his native land.

## Three Radio Broadcasts Originating from Freeland

---  
Currently Zion Lutheran Church is sponsoring three radio programs each week. The broadcast of the church service is heard each Sunday at 10:30 a.m. on WSAM and WSAM-FM; The "Music of the Church" a program of non-denominational sacred selec-

**Vocational Placement  
Center**

--  
The Freeland High School is now in the process of creating a "Vocational Placement Center" in conjunction with its Guidance Department.

We are finding that in many cases a part-time job after school or during the summer is desirous of many of our students. A proper part-time job can be an education within itself. At a part-time job a young person can begin to learn responsibility, the importance of getting along with others, and take a glimpse of the working world. Here a working youth can grow and at the same time serve his community. With working experience behind him before graduation, this help could lead to a better selection for a life long vocation and a better chance of receiving a full time job. A High School grad-

uate is often frustrated when confronted with the phrase "Experience Necessary."

It is hoped that the "Vocational Placement Center" will help and benefit both the students and the community. We hope to help the student in acquiring work experience, and help the community through the services rendered by its working youth. If there are any part-time openings at your establishment, we stand ready to assist you in filling these vacancies. You may contact us by mail or telephone (695-4481), describe the job opening, and we in turn will arrange the interview between you and the interested teen-ager.
